## **Standard Capital Markets Limited Provides Education Loans to Over 500 New Students during this fiscal year**

*Date: January 28, 2025*

Standard Capital Markets Limited, a leading financial Company, is proud to announce that it has successfully extended educational loans to over 500 new students across the country during this fiscal year. This initiative is part of the company's ongoing commitment to empower the next generation of professionals and provide them with the financial support needed to pursue higher education.

With a vision to foster academic excellence, Standard Capital Markets Limited has been providing tailored education loans to students aspiring to pursue undergraduate, postgraduate, and professional courses in India and abroad. The company's education loan program offers Zero cost loans, flexible repayment terms, and easy documentation to ensure students can access funding with minimal hassle.

"We are thrilled to have supported over 500 students in their educational journeys during the past 9 months," said Ram Gopal Jindal, Managing Director of Standard Capital Markets Limited. "We firmly believe that education is the cornerstone of personal and professional growth, and we are committed to making it more accessible for deserving students. Our aim is to provide financial assistance to students from diverse backgrounds, ensuring they have the opportunity to pursue their academic goals without the burden of financial constraints."

The company's education loan services have been designed to cater to the specific needs of students, offering funding for a wide range of courses, including engineering, medical, management, law, and arts. In addition to financial support, Standard Capital Markets Limited provides personalized loan counseling, ensuring that each student is equipped with the right information to make informed decisions about their education financing.

"We understand the challenges that students face when seeking funding for higher education," Ram Gopal Jindal Managing Director continued. "With our education loan offerings, we are providing them not just with funds, but with the confidence to achieve their educational aspirations and build a brighter future."

Standard Capital Markets Limited has consistently been a trusted partner for students and their families, ensuring that they receive the financial backing they need to pursue their dreams. The company is proud to continue its mission of supporting education and empowering students to achieve academic success.

### **About Standard Capital Markets Limited**

Standard Capital Markets Limited is a premier financial services provider committed to offering a wide range of investment, financing, and lending solutions. With a customer-centric approach and a strong emphasis on integrity and innovation, the company strives to provide valuable financial services to individuals and businesses alike. Standard Capital Markets Limited continues to contribute to the growth and development of the education sector, ensuring that financial barriers do not limit the potential of future leaders.
